---

All,

Following up on our phone call, I understand that each of you would like me and my law firm to represent each of you individually, in addition to our current representation of Central Rexall Drugs and Bluen Medical. I have advised you of all of the potential risk of such joint representation, and I am satisfied that each of you understand those risks and still desire to enter into this joint representation. If you have any hesitation or questions, please let me know immediately.

Otherwise, I have attached to this email a letter outlining the terms of my joint representation. Please review very carefully and if you agree to the terms, please sign and scan back to me ASAP. I made it so that each signature line is on a separate page so it's easier to gather signatures.

Thanks,
